

March 21, 2025 – 10:00am-1:30pm

Prof. Nicholas Fantuzzi

Associate Professor, Department of Civil, Chemical, Environmental and Materials Engineering (DICAM), Alma Mater Studiorum - University of Bologna

**AI-Powered Bibliographic
Research and Reference
Management: A Hands-On
Workshop for Scientific
Publishing**

This hands-on workshop introduces PhD students to both traditional and AI-powered tools for bibliographic research and reference management, essential for scientific publishing. The workshop's structure balances theoretical knowledge with practical applications, focusing on how these tools can streamline literature reviews and reference organization in scientific publishing.
